

Read Me First test for question weightage:

- Please follow the define format to create the question via bulk upload.
- While creating question, in question tagging section, please follow the same question tagging format which you have declared in Basic Information section.
- For question tagging in case of
 - EMDH please write:
 - Easy,
 - Medium,
 - Difficult and
 - HOTS.
 - Proficiency level please write:
 - Proficiency Level 1,
 - Proficiency Level 2,
 - Proficiency Level 3,
 - Proficiency Level 4.
- If you want to repeat same kind of question format, then please do create in same format rather than copy and paste to avoid any junk characters issues.
- In fill in the blank question, please create the blank in defined format only and number minimum and maximum blank will be 1 and 3 respectively.
- After bulk upload, please do select the same number of questions with proper question tagging to create.
- In one section, you can create only the number of questions as defined in the schema.
- To understand the abbreviation of the question types please follow the below pointers.
 - MCQ-SCA - Multiple Choice Question - Single Correct Answers
 - MCQ-MCA - Multiple Choice Question - Multiple Correct Answers
 - T/F - True / False
 - FTB - Fill in the blanks.
 - MTF - Match the following.
