

HOW CAN MDOs CREATE AN EVENT ON THE iGOT KARMAYOGI PLATFORM

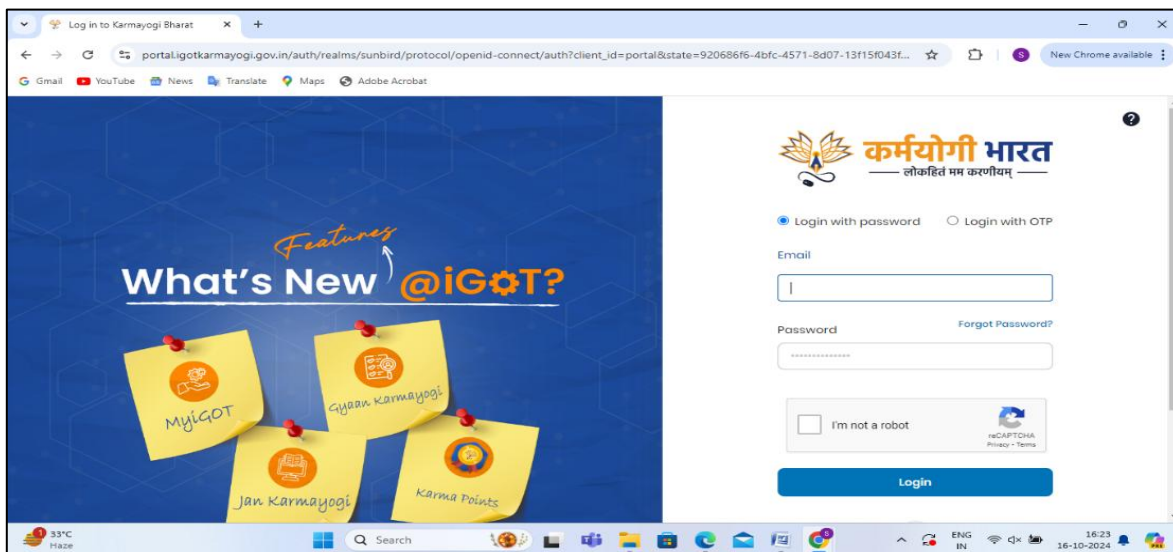

1. Visit igotkarmayogi.gov.in in your web browser

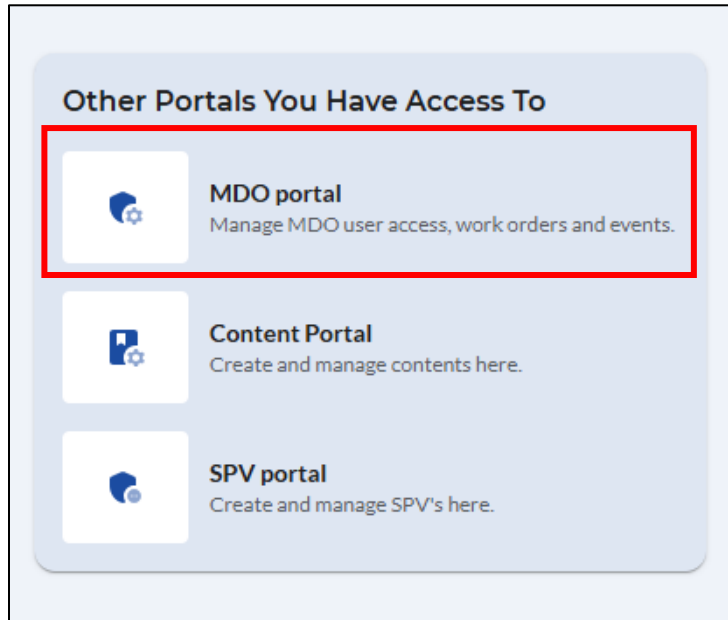

2. Click on the 'Login' button at the top right corner

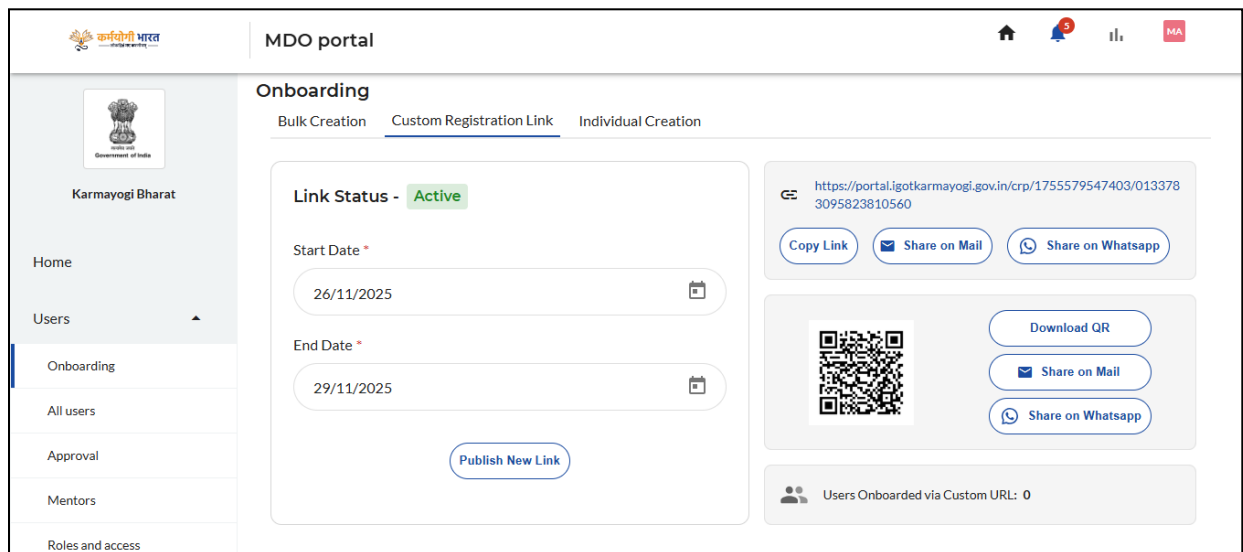

3. Enter your Email ID/Phone Number and Password/OTP, then click Login

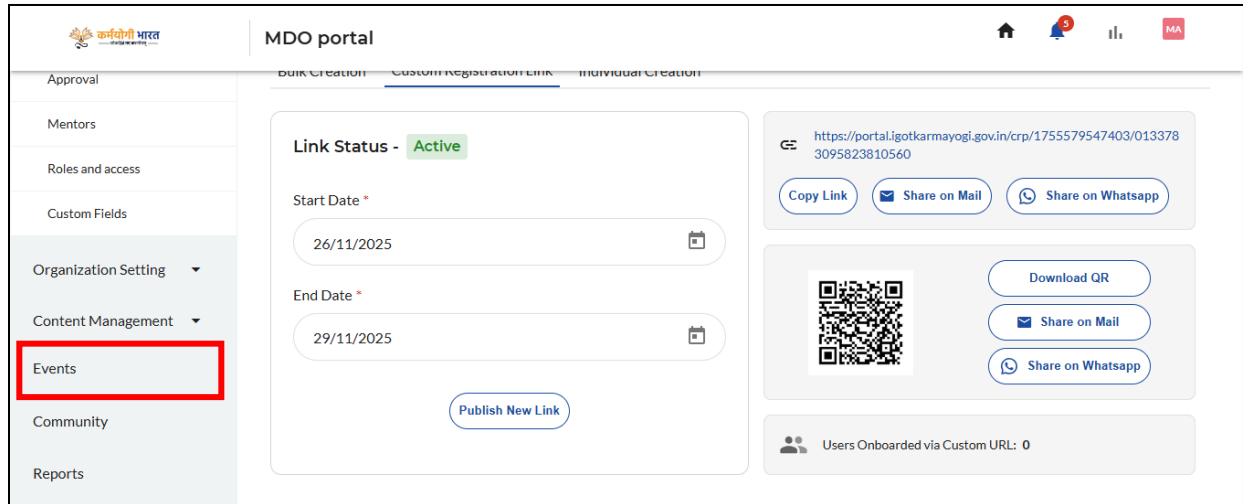

- Once logged in, navigate to the other portals access on the left below side of your profile, and click on the MDO portal

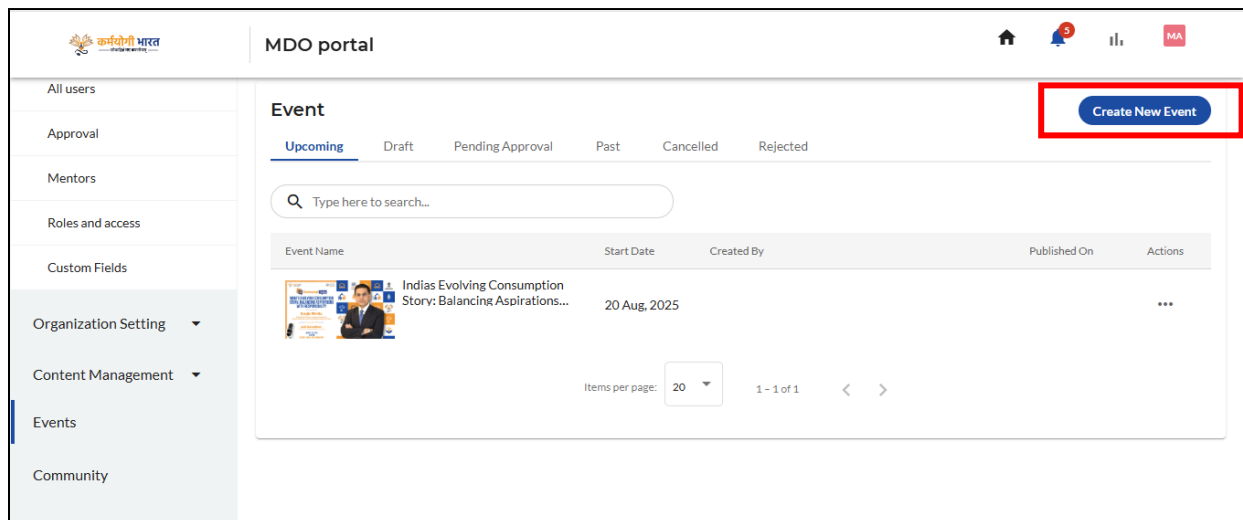

- You will be redirected to the MDO portal

6. In the MDO Portal, locate the Events section at the bottom left and click on it

7. To create an Event, click on the 'Create New Event' button at the top right corner

8. Add basic Event information that is the Name of the Event and Upload the Event Image (Please note that the image should be in PNG or JPG format and the size should not be more than 500 kb). Both the Name and the Image are mandatory requirements for the creation of the Event.

The screenshot shows the 'Basic Information' form in the MDO portal. The form has two main sections: 'Event Name' and 'Event Type'. The 'Event Name' section has a text input field with the placeholder 'Add your event name' and a character count '0/70'. Below the input field, it states 'Only (a-z/A-Z, 0-9, -, _ \$ / : [] * * * *) characters are supported'. The 'Event Type' section has a radio button labeled 'Recorded Event' which is selected. To the right of the form is a large blue box with a dashed border containing an 'Upload Image' section with an upload icon and text 'Supported file types: PNG, JPG' and 'Max Size - 500KB'. Below this is a preview of the event card showing the 'Event' icon, the name 'Event Name', and the organization 'Karmayogi Bharat'. At the bottom of the form are 'Cancel' and 'Create' buttons.

9. Click on Create to proceed

This screenshot is similar to the previous one, but the 'Event Name' input field now contains the text 'Test Event' and the character count is '10/70'. The 'Create' button at the bottom right of the form is highlighted with a red square, indicating it should be clicked to proceed.

10. Fill in the basic details related to the Event

The screenshot shows the MDO portal interface. The top navigation bar includes the Karmayogi Bharat logo, the text "MDO portal", and icons for home, notifications (5), and a user profile (MA). The left sidebar contains a menu with "Karmayogi Bharat", "Home", "Users" (with a dropdown arrow), "Onboarding", "All users", "Approval", "Mentors", and "Roles and access". The main content area is titled "Event Builder" and shows a progress bar with three steps: 1. Basic Details (active), 2. Add Material, and 3. Add Competency. Below the progress bar, the "Basic Details" form is displayed. It includes a logo upload field with a file named "logo-1.png", an "Event Name" field with the value "Test Event" and a character count of 10/70, and a "Description" field with the placeholder "Add your description". Buttons for "Save Draft & Exit" and "Next" are located at the top right of the form.

11. Add a Description for the Event (minimum 250 characters and maximum 2000 characters), and upload the event video (less than 1 GB) or paste the link to the video

This screenshot shows the "Basic Details" form with red boxes highlighting the "Description" and "Video Upload" sections. The "Description" field is a large text area with the placeholder "Add your description" and a character count of 0/2000. Below it, the "Event Type" section has a radio button selected for "Recorded Event". The "Video Upload" section features a dashed blue box with an upload icon and the text "Select video to upload *", "or drag and drop here", and "Max Size - 1GB". Below this, there is an option to "or Upload from URL *" with a corresponding text input field containing the placeholder "Enter url".

12. Select the appropriate Event Category from the drop-down menu (Please note: New categories will be added as per MDO requirements)

The screenshot shows the MDO portal interface. On the left, a sidebar contains 'Content Management' (expanded), 'Events', 'Community', and 'Reports'. The main area is titled 'MDO portal'. At the top, there's a header with a home icon, a notification bell with '5', a list icon, and a 'MA' button. Below the header, a video player shows 'whatsapp-video-2025-08-13-at-3.46.35-pm.mp4'. Below the video, there's a section 'or Upload from URL *' with an 'Enter url' input field. A red box highlights the 'Event Category *' dropdown menu, which is open and shows three options: 'Webinar', 'Karmayogi Talks', and 'Karmayogi Saptah'. Below the dropdown, there are three input fields: 'Enter Start Date', 'Enter Start Time', and 'Enter End Time'. A note at the bottom states: 'Note: This event will be visible to the learners 5 minutes after the SPV Publisher has published it.'

13. Select the Event Date, Start Time, and End Time (Please note that the Event duration should be a minimum of 15 minutes)

The screenshot shows the MDO portal interface. On the left, a sidebar contains 'Community' and 'Reports'. The main area is titled 'MDO portal'. At the top, there's a header with a home icon, a notification bell with '5', a list icon, and a 'MA' button. Below the header, there's a section 'or Upload from URL *' with an 'Enter url' input field. Below that, the 'Event Category *' dropdown menu is set to 'Webinar'. A red box highlights the 'Date *', 'Start Time *', and 'End Time *' fields. The 'Date *' field shows '02/09/2025'. The 'Start Time *' field has an 'Enter Start Time' input and a clock icon. The 'End Time *' field has an 'Enter End Time' input and a clock icon. A note at the bottom states: 'Note: This event will be visible to the learners 5 minutes after the SPV Publisher has published it.'

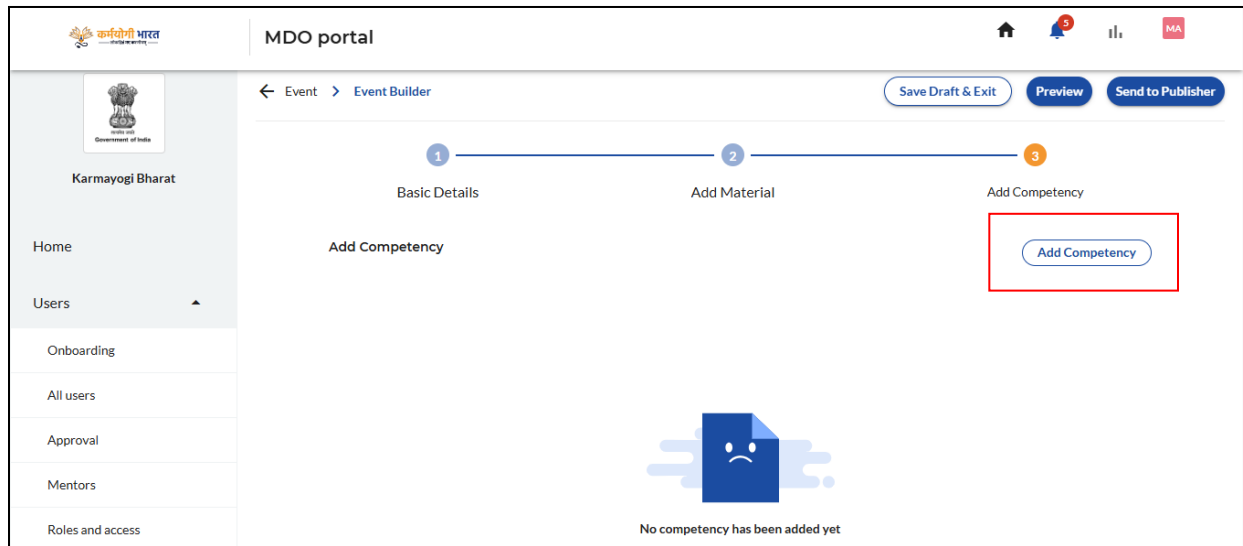

14. Click on Next at the top right to continue

The screenshot shows the 'MDO portal' interface. On the left is a sidebar with the 'Karmayogi Bharat' logo and a menu including 'Home', 'Users', 'Onboarding', 'All users', and 'Approval'. The main content area is titled 'Event Builder' and features a progress bar with three steps: '1 Basic Details' (active), '2 Add Material', and '3 Add Competency'. Below the progress bar, the 'Basic Details' form is visible, containing a logo upload field (showing 'logo-1.png'), an 'Event Name' field with the value 'Test Event', and a 'Description' field. The 'Event Name' field has a character limit of 10/70. In the top right corner, there are two buttons: 'Save Draft & Exit' and 'Next', with the 'Next' button highlighted by a red rectangle.

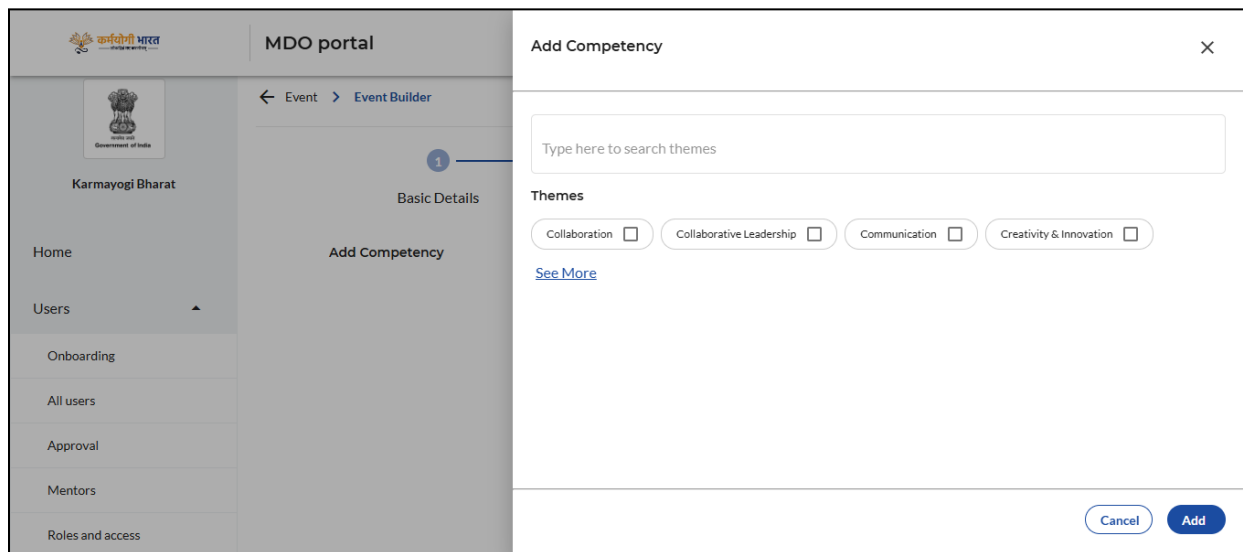

15. In case required, upload additional materials such as PDFs, DOCs, or PPTs

This screenshot shows the 'MDO portal' interface at the 'Add Material' step. The sidebar is identical to the previous screenshot. The progress bar now shows '1 Basic Details' and '2 Add Material' (active), with '3 Add Competency' following. The 'Add Material' form is highlighted by a red rectangle and contains an 'Add File' button with an upload icon and the text 'Add pdfs, doc, ppt, pptx, docx'. In the top right corner, the 'Next' button remains highlighted by a red rectangle.

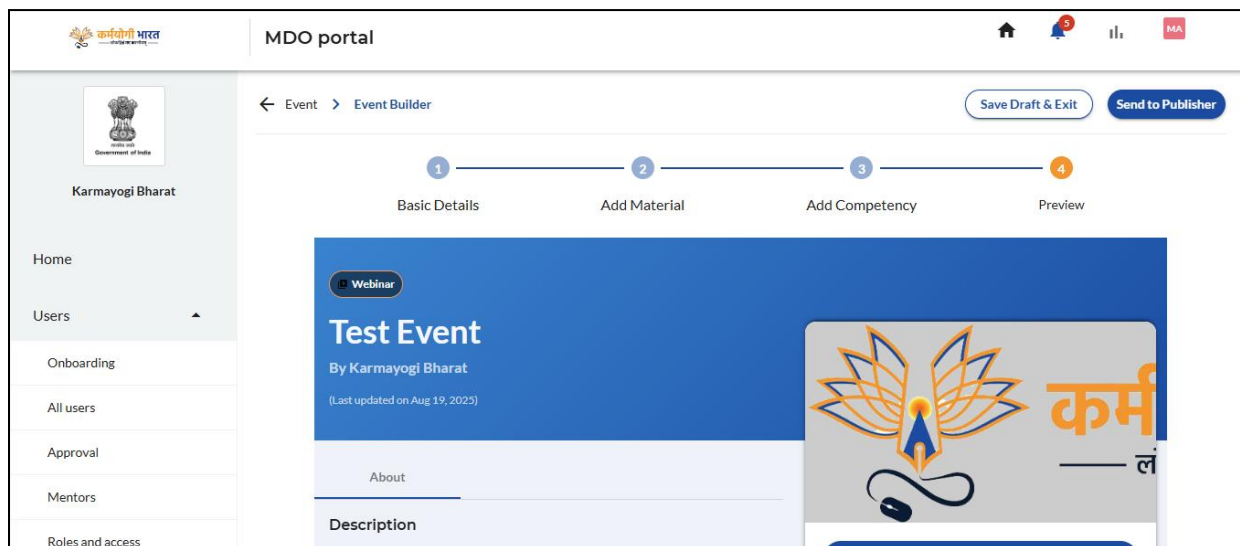

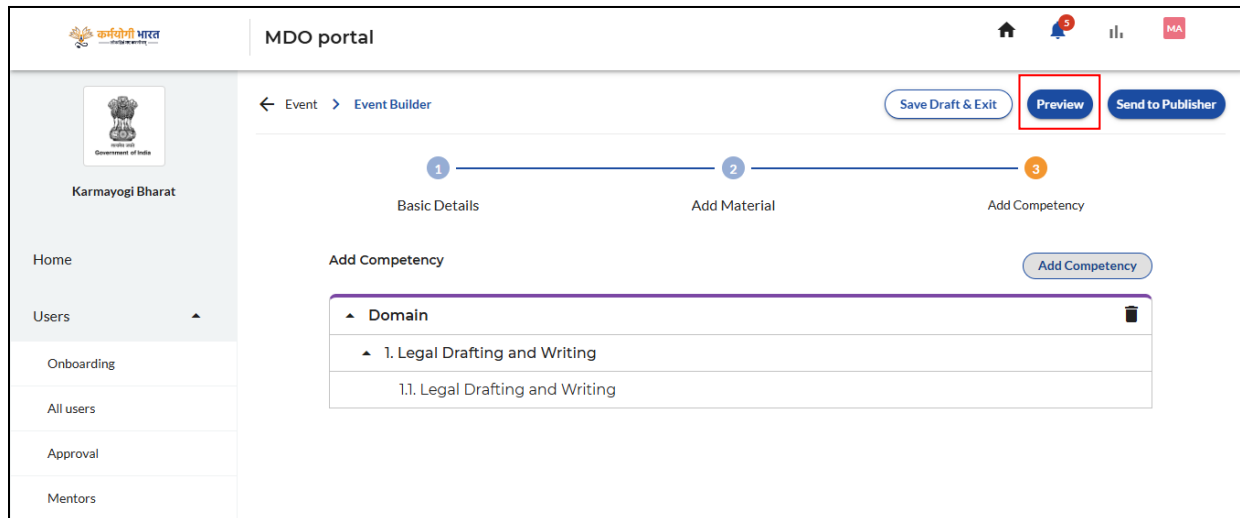

16. Add the competencies that learners will acquire from the Event

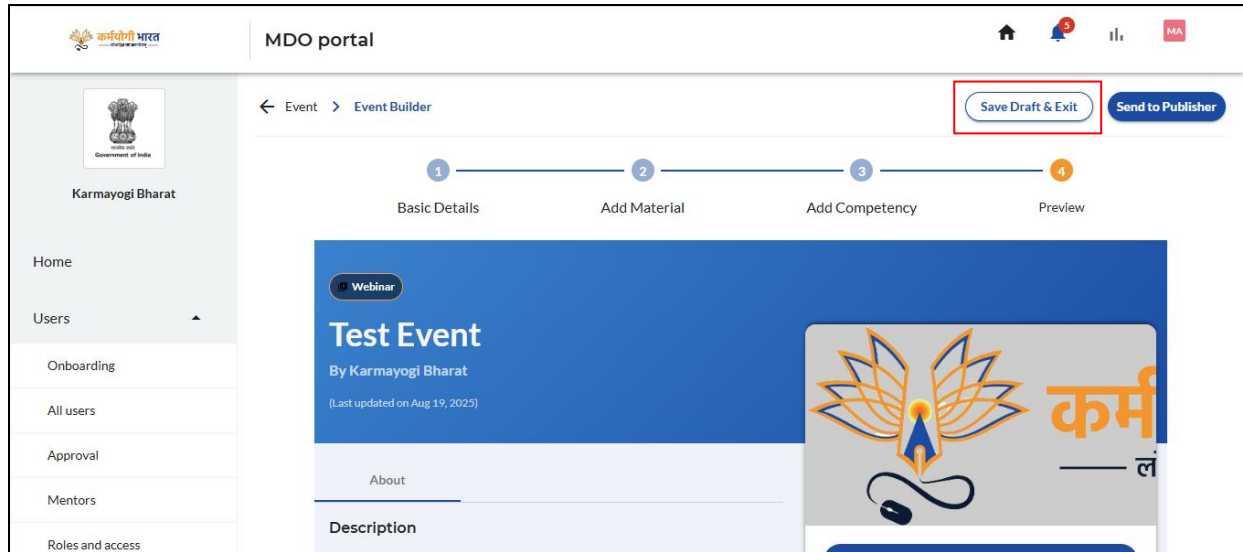

17. Click Add Competency, then select relevant Themes (by typing in the search bar or by selecting from the available options)

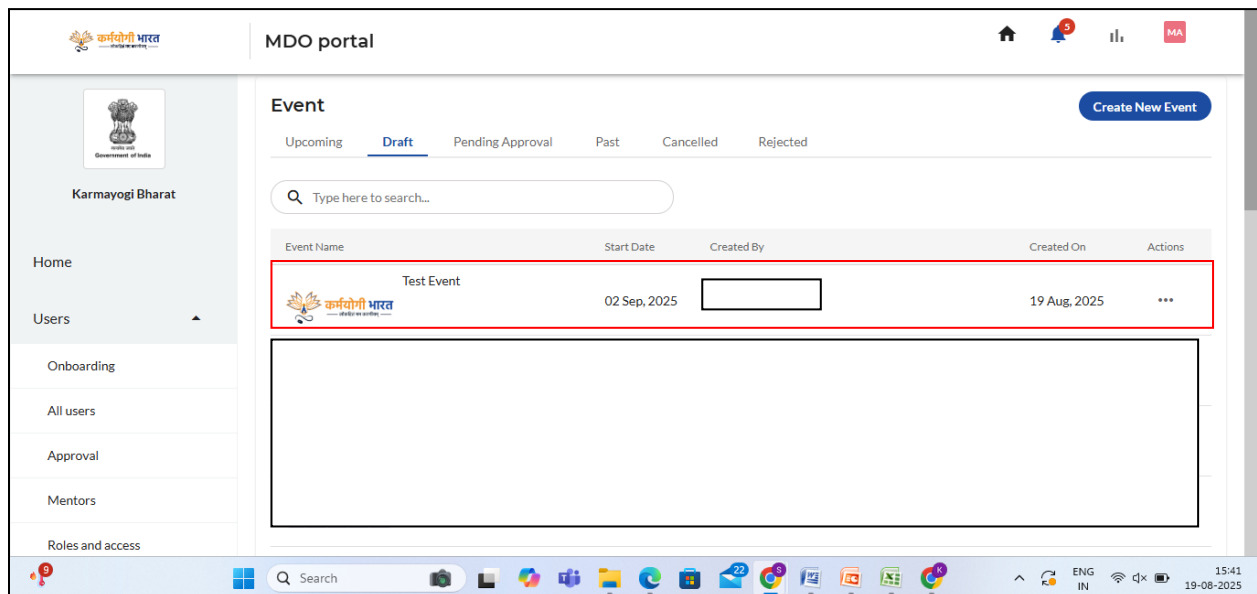

19. Click Preview at the top right to review the event details

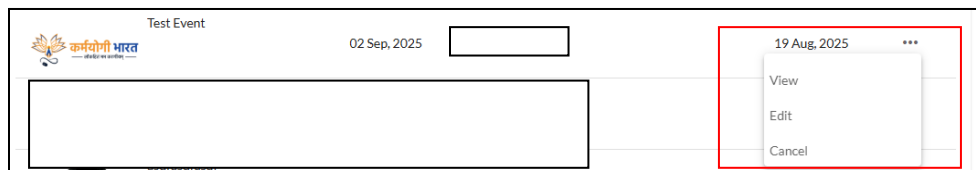

20. Choose Save Draft & Exit if you wish to complete/publish the event later

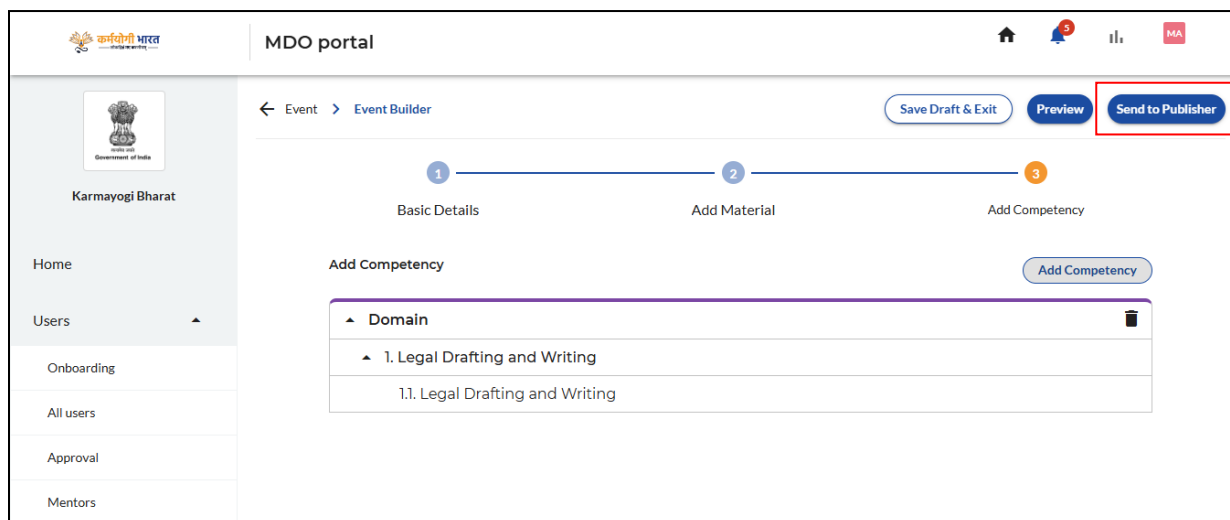

21. The saved drafts of the event can be accessed in the Draft section

22. Use the three dots menu to view, edit or cancel an event

23. Once finalized, click Send to Publisher at the top right to submit the event for publishing

Once submitted, the Event will be reviewed by the SPV Publisher.

Please note: Publishing may take some time, as the content will undergo review before it is finally published and made visible to learners on the platform.
