iGOT Karmayogi Learner Manual

The iGOT Karmayogi platform is enhancing its AI capabilities to redefine learning accessibility and engagement through cutting-edge innovations for the iGOT learners.

With cutting-edge artificial intelligence integrated into the platform, the learning experience of learners' is now faster, more intuitive, and tailored to their needs as a government official and lifelong learner.

How These AI Tools Will Benefit You:

With these AI enhancements, learning on iGOT becomes:

- **Faster:** No need to scroll endlessly or wait for answers
- **Personalised:** The platform learns what you need and serves you better content
- **Interactive:** AI guides you on your learning journey
- **Efficient:** Get summaries, clear doubts, and find relevant resources quickly
- **Engaging:** Learn in the style that suits you best.

AI CHATBOT

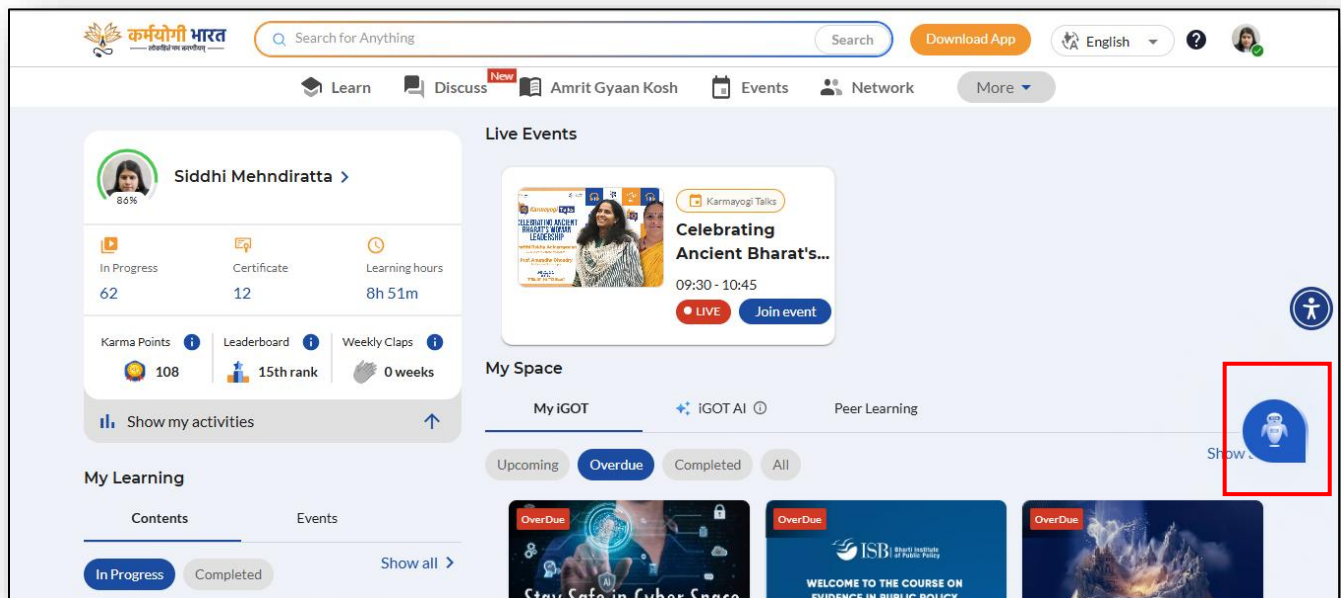

The AI Chatbot is your personal learning guide on iGOT. When you have a question or need to find something fast, the AI Chatbot on the right side of your screen will help you:

- Search across the platform instantly
- Find relevant courses and materials based on what you type
- Save time by giving me exactly what you need

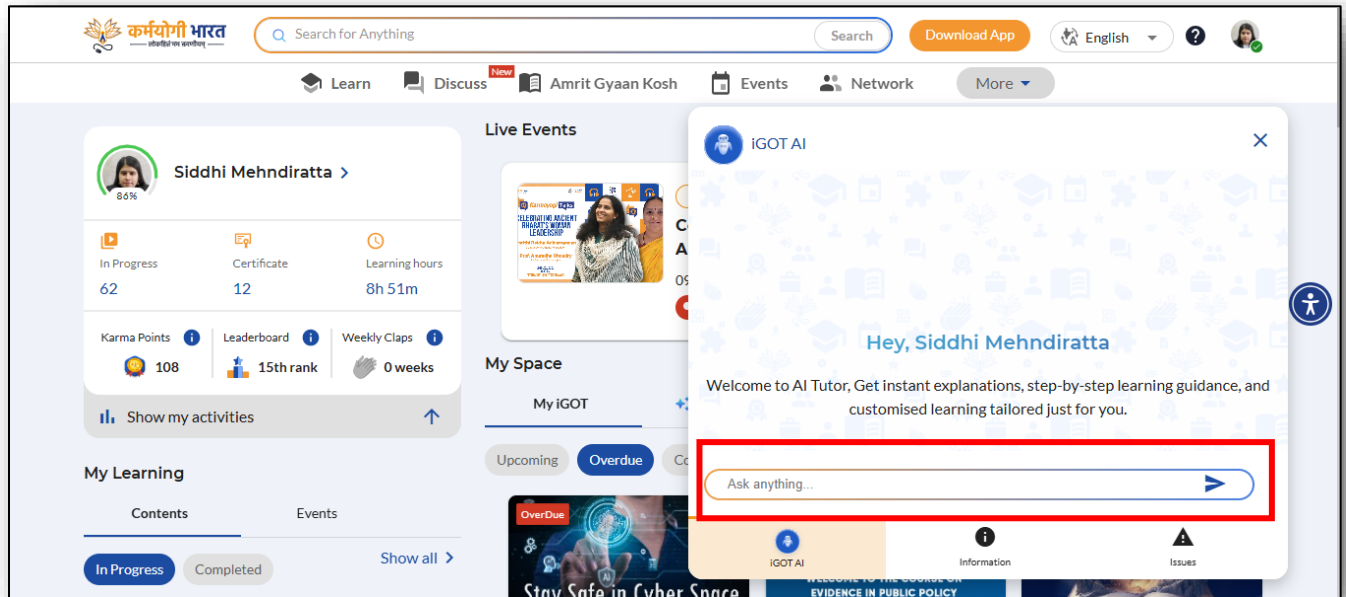

AI Chatbot is your 'Ask anything, find everything' tool

HOW TO NAVIGATE THE AI CHATBOT

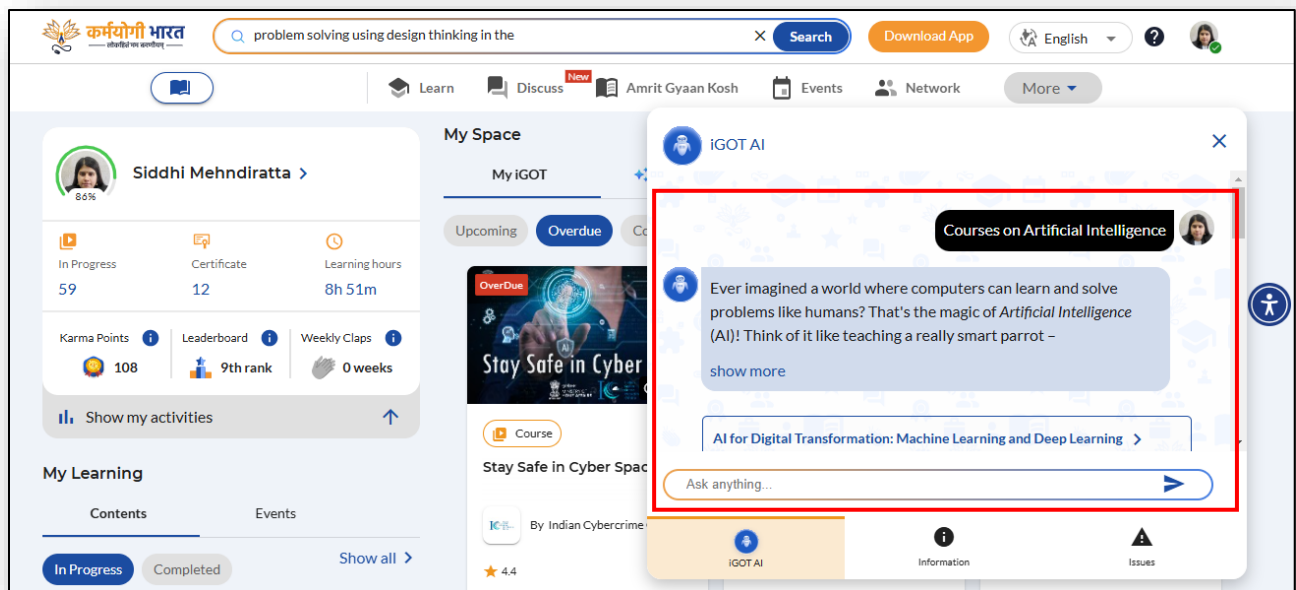

Click on the AI Chatbot on the right

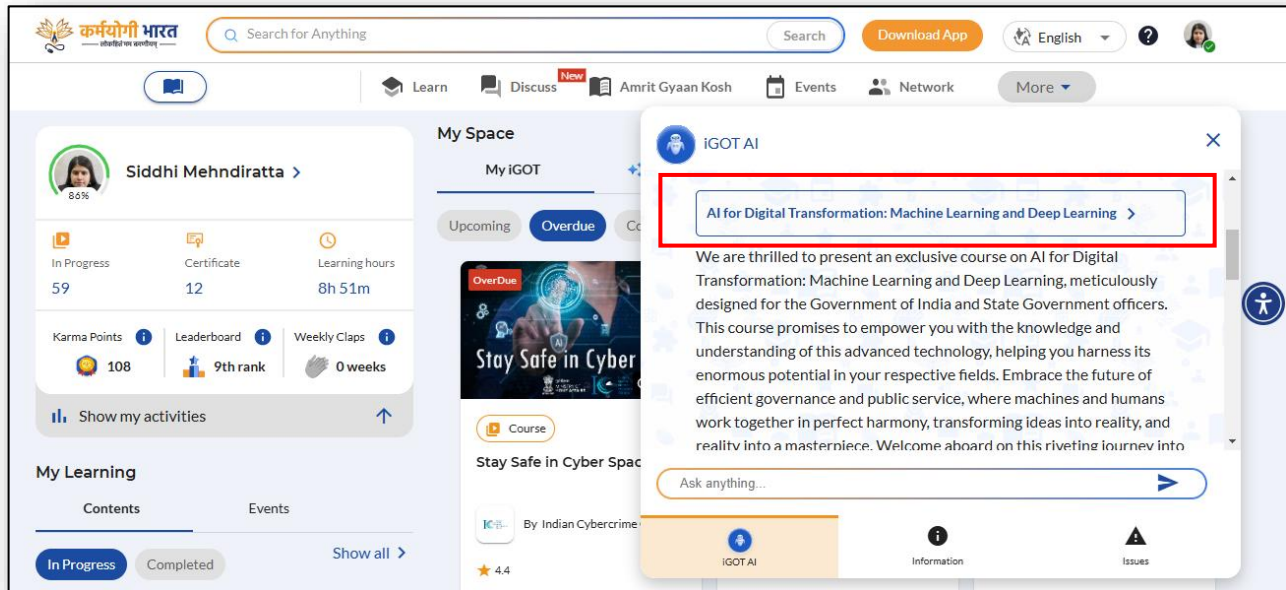

Through ‘Ask anything’, you can ask your queries and questions

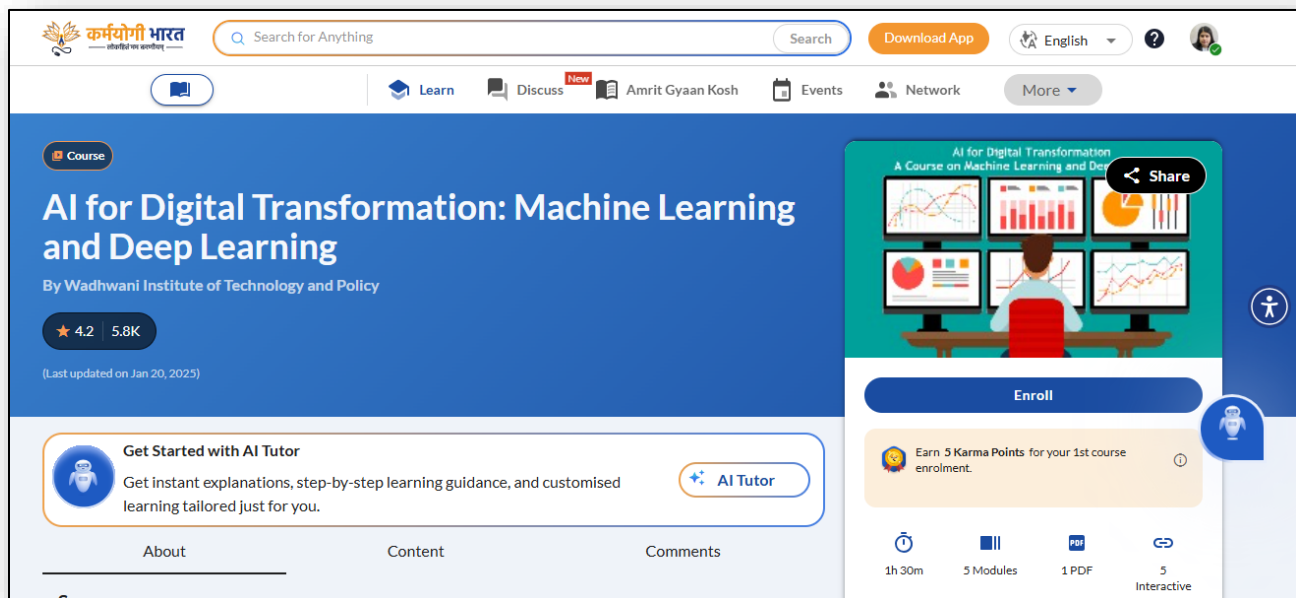

Type in, click on send, and you will find the results

Click on the result you wish to explore

You will be navigated to a new web browser for the desired result

Use the AI Chatbot to explore any topic across iGOT

AI TUTOR

AI Tutor is your ‘Personal Learning Companion’

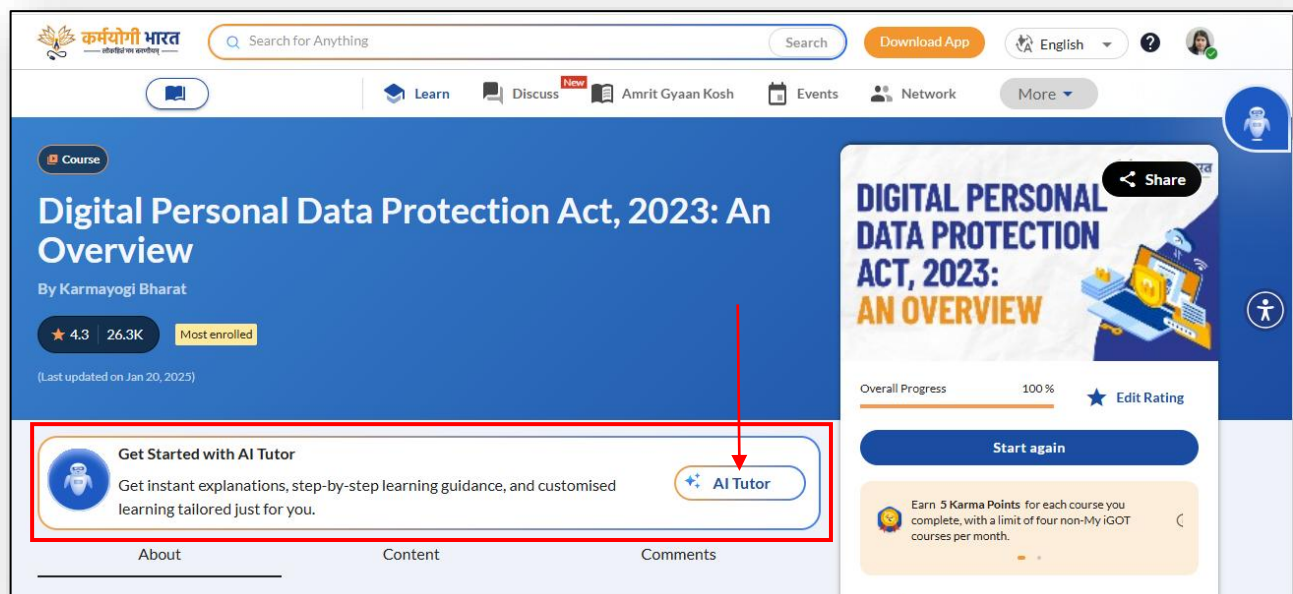

While learning through a course, whenever you get stuck or want better clarity. That’s when you turn to the AI Tutor inside the course. It helps you with:

- Real-time query resolution and interactive discussions
- Get summaries and explanations in plain language
- Choose how you want to learn, like through stories or guided questions

HOW TO NAVIGATE THE AI TUTOR

For any course-specific query, click on the AI Tutor tab of the course

Kindly note that AI Tutor can only be accessed for the courses you have enrolled in

Navigate to the AI Tutor tab inside the course

The screenshot shows the course interface for "Additional Reading: DPDP Act, 2023". The main content area displays the title page of "भारत का राजपत्र The Gazette of India". The sidebar on the right contains a list of modules: "1. Module 1: Meaning and Necessity of ...", "2. Module 2: Processing of Personal D...", "3. Module 3: Obligations of Data Fiduc...", and "4. Module 4: Rights of Data Principals". The "AI Tutor" tab is highlighted in the sidebar, and a red box is drawn around it.

Start asking queries related to the course

The screenshot shows the course interface with the "AI Tutor" tab active. The main content area displays the title page of "भारत का राजपत्र The Gazette of India". The sidebar on the right shows the "AI Tutor" tab selected, and a welcome message is displayed: "Hey, Siddhi Mehndiratta. Welcome to AI Tutor, Get instant explanations, step-by-step learning guidance, and customised learning tailored just for you." Below the message is a text input field labeled "Ask anything..." with a blue arrow button.

Choose the kind of solving mechanism you want, from the drop-down – ‘NONE’ offers learning with natural query process and ‘SOCRATIC STYLE’ explores ideas through thoughtful questions

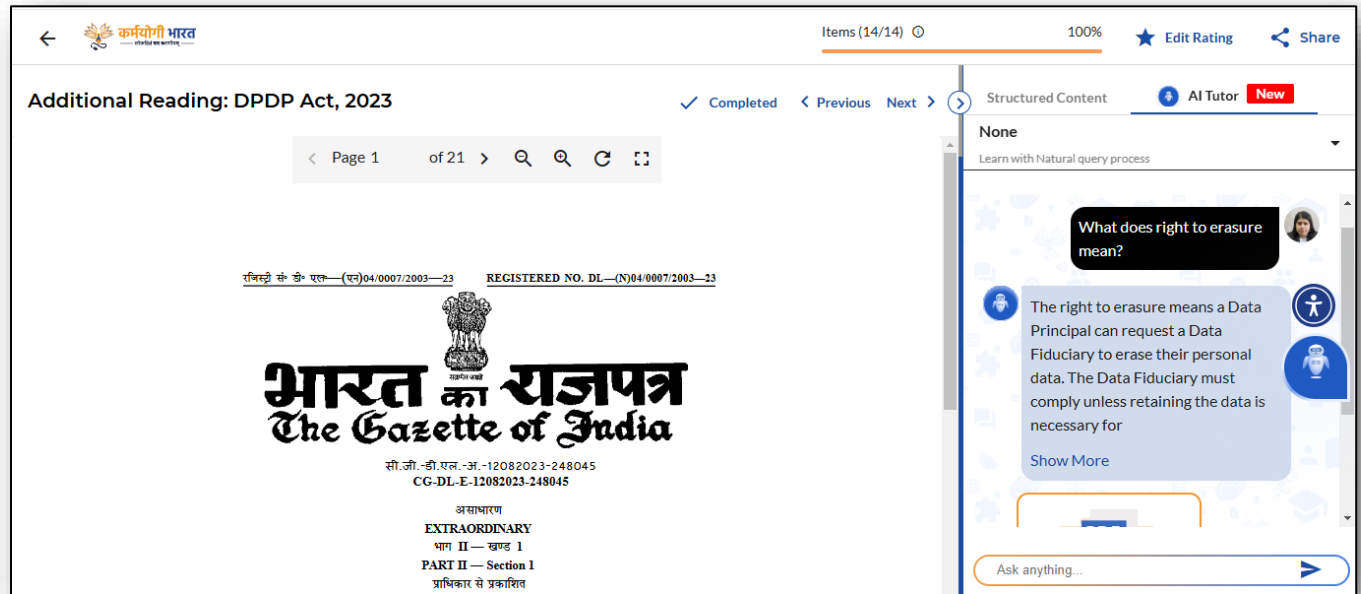

The screenshot shows the Karmyogi Bharat interface. The main content area displays the title page of the DPDP Act, 2023, which is part of the Gazette of India. The title is in Hindi and English: "भारत का राजपत्र" and "The Gazette of India". The document is registered under NO. DL-(N)04/0007/2003-23. The AI Tutor sidebar on the right shows a dropdown menu with options: "None" (Learn with Natural query process) and "Socratic Style" (Explore ideas through thoughtful questions). The "None" option is highlighted with a red box. Below the dropdown, there is a welcome message from the AI Tutor: "Hey, Siddhi Mehndiratta" and "Welcome to AI Tutor, Get instant explanations, step-by-step learning guidance, and customised learning tailored just for you." At the bottom of the sidebar, there is a text input field with the placeholder "Ask anything..." and a send button.

Type in your question and click the send button

This screenshot is similar to the previous one, but the AI Tutor sidebar now shows a question typed into the input field: "What does right to erasure mean?". The question is highlighted with a red box, and the send button is visible to its right. The rest of the interface, including the document title and the AI Tutor welcome message, remains the same.

Find your results

The screenshot displays the Karmayogi Bharat interface. The main content area shows a document titled "Additional Reading: DPDP Act, 2023" on "Page 1 of 21". The document is from "भारत का राजपत्र" (The Gazette of India), Extraordinary, Part II, Section 1. The AI Tutor sidebar on the right is active, showing a question: "What does right to erasure mean?". The answer explains that the right to erasure means a Data Principal can request a Data Fiduciary to erase their personal data, and the Data Fiduciary must comply unless retaining the data is necessary for a specific purpose. The sidebar also includes a "Show More" link and an "Ask anything..." input field.

Try the AI Tutor while learning courses for a deeper understanding
