

USER ONBOARDING ON iGOT

OVERVIEW:

This toolkit is designed as a quick reference guide for MDO Leaders and MDO Admins to ensure smooth onboarding of officials on the iGOT Karmayogi platform using any of the three methods:

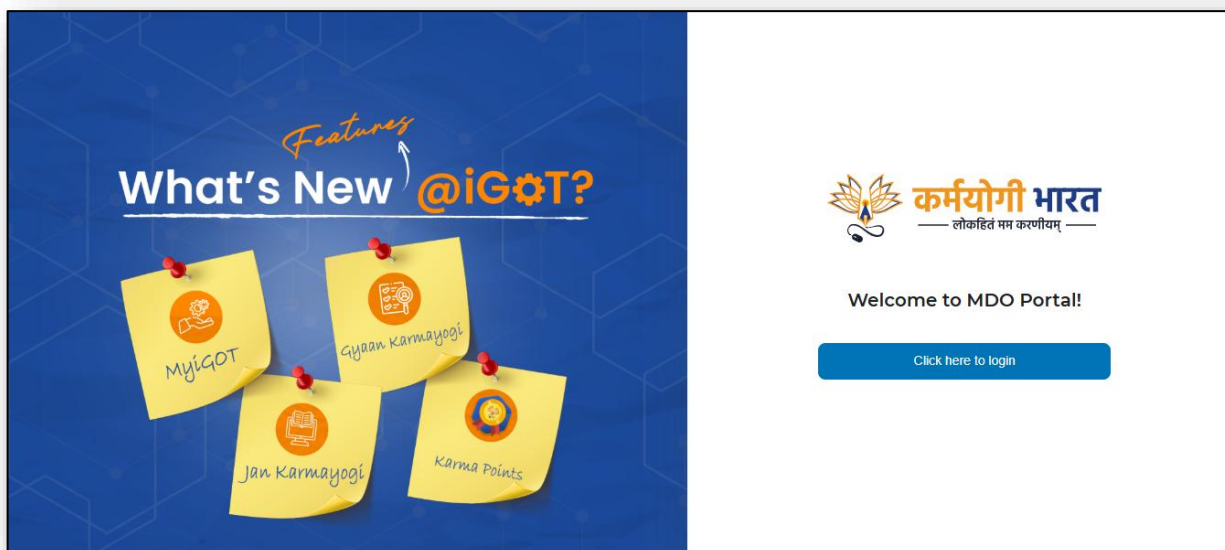

- Bulk Upload (for multiple officials)
- Custom Registration Link (self-registration via link/QR code)
- Individual User Creation (one-by-one onboarding)

Role of MDO Leader: MDO Leader acts as the supreme authority for an organization on the iGOT Karmayogi platform, responsible for managing officials within the Department/Organization. Can assign roles such as MDO Admin, Content Creator, Content Reviewer, etc.

Role of MDO Admin: The MDO Admin is nominated by the MDO Leader to support day-to-day platform administration. The MDO Admin holds all access privileges similar to the MDO Leader, except for assigning admin-level roles to other officials.

STEPS FOR USER ONBOARDING:

1. Log in to the iGOT MDO Portal at <https://mdo.igotkarmayogi.gov.in/> using your credentials.

Welcome to iGOT Karmayogi How To Login

1 In case you face issues while logging in with your email ID

- Clear the browser cache
- Open the browser's private window by pressing Ctrl+Shift+N
- Login with mobile OTP after selecting the 'Log in with OTP' option

2 In case you face issues while logging in with Parichay

- Log out from all open Parichay websites/tabs
- Clear the browser cache
- Open the browser's private window by pressing Ctrl+Shift+N

Bulk Creation

Follow these steps to create users in bulk:

- Download the sample ZIP file.
- Unzip to get the actual Excel or CSV files given as sample.
- Make appropriate changes in the file.
- [Important]** Save the file in CSV format i.e. CSV (Comma delimited) (*.csv)
- Upload this newly saved CSV file to the system.
- Check the upload results for confirmation.

Values of the users to be added in the Sample Values file.

Name, Email, Mobile Number, Group, and Designation are mandatory fields to be filled in the file for onboarding, and the rest of the columns may be left blank, but must not be deleted.

Points to be Noted:

- The Name should not contain any special characters and more than one space between the First, Middle and Last Name. For Example, S.K. Gill is invalid, but SK Gill is valid.
- Only 10 digits of the mobile number to be filled, no additional initial zero or country code is required.
- Designation must be filled as per the iGOT master sheet
- Employee ID can be the HRMS ID of employees for easy identification
- Tags can include the Officials' Department/Division for ease in identification of officials. Tags can have multiple values separated by a semicolon (;). For Example: Northern Railways; Delhi Division; Ministry of Railways.

7. After filling in all the required values, upload the completed file.

Onboarding

- Individual Creation

Bulk Creation

Follow these steps to create users in bulk:

1. Download the sample ZIP file.
2. Unzip to get the actual Excel or CSV files given as sample.
3. Make appropriate changes in the file.
4. **[Important]** Save the file in CSV format i.e. CSV (Comma delimited) (*.csv)
5. Upload this newly saved CSV file to the system.
6. Check the upload results for confirmation.

[Download Sample File](#)

Browse files

Max file size: 10 MB

Supported file types: csv

Note: Once the file is uploaded, the system will begin processing. Users will receive an OTP via email or mobile as specified to verify their accounts. Also, in an hour, only 5 OTP requests can be made.

8. In case of any onboarding failure, download the Error Log displayed at the bottom to identify and correct issues.

11. Select 'Individual Creation' to onboard a single user manually.

The screenshot shows the MDO portal interface. The top navigation bar includes the Karmayogi Bharat logo, the text 'MDO portal', a search bar with the placeholder 'Search for Anything', and icons for home, notifications, and user profile. The left sidebar contains a menu with 'Home', 'Organization Directory', 'Users', 'Onboarding' (highlighted), 'All users', and 'Approval'. The main content area is titled 'Onboarding' and has three tabs: 'Bulk Creation', 'Custom Registration Link', and 'Individual Creation' (selected). Below the tabs is a 'User Details' form with the following fields:

- Full name ***: A text input field with the placeholder 'Type here'.
- Email ***: A text input field with the placeholder 'Type here'.
- Mobile number ***: A text input field with the placeholder 'Type here'.
- Designation ***: A dropdown menu with the placeholder 'Select designation'.
- Group ***: A dropdown menu with the placeholder 'Choose a group'.
- Date of birth**: A date picker field with the placeholder 'Choose date of birth'.

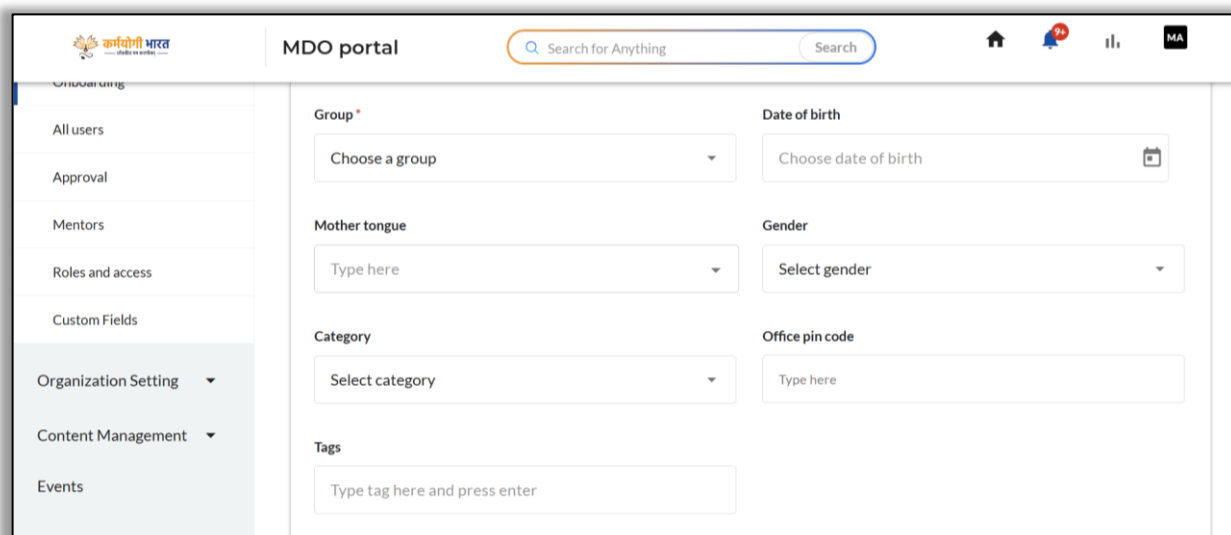

12. Fill in the mandatory details, including Full Name, Email, Mobile Number, Designation, and Group.

This screenshot is identical to the one above, showing the MDO portal interface with the 'Individual Creation' tab selected. The 'User Details' form is visible with the following fields:

- Full name ***: A text input field with the placeholder 'Type here'.
- Email ***: A text input field with the placeholder 'Type here'.
- Mobile number ***: A text input field with the placeholder 'Type here'.
- Designation ***: A dropdown menu with the placeholder 'Select designation'.
- Group ***: A dropdown menu with the placeholder 'Choose a group'.
- Date of birth**: A date picker field with the placeholder 'Choose date of birth'.

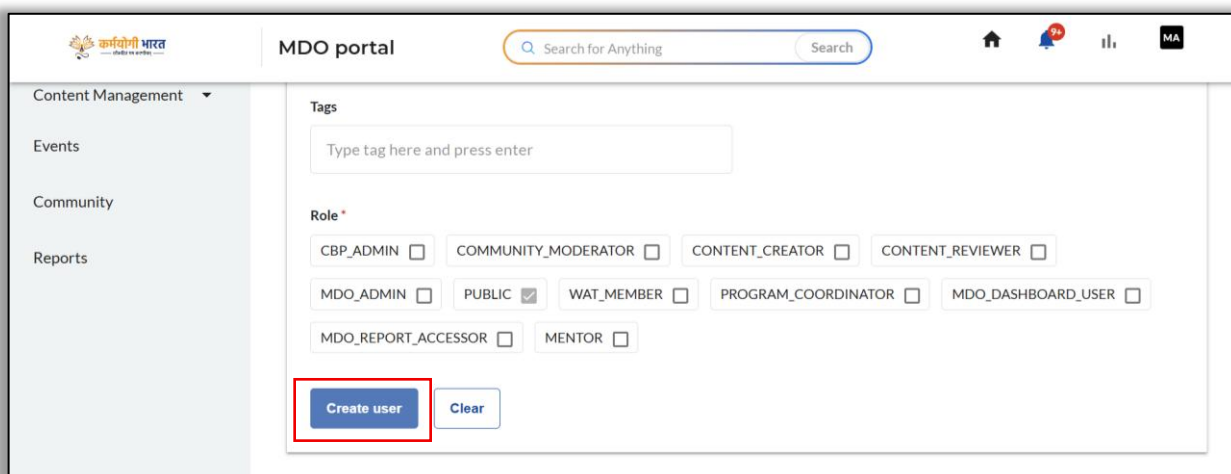

13. Add additional details such as Date of Birth, Mother tongue, Gender, Category, Office Pin Code, and Tags as applicable.

The screenshot shows the 'MDO portal' interface. On the left is a sidebar with navigation links: 'All users', 'Approval', 'Mentors', 'Roles and access', 'Custom Fields', 'Organization Setting', 'Content Management', and 'Events'. The main area contains a form with the following fields:

- Group ***: A dropdown menu with the text 'Choose a group'.
- Date of birth**: A date picker with the text 'Choose date of birth'.
- Mother tongue**: A dropdown menu with the text 'Type here'.
- Gender**: A dropdown menu with the text 'Select gender'.
- Category**: A dropdown menu with the text 'Select category'.
- Office pin code**: A text input field with the placeholder 'Type here'.
- Tags**: A text input field with the placeholder 'Type tag here and press enter'.

14. If a user is to be assigned a specific role, click the relevant role box to designate the user with the desired role. And click on 'Create user' to complete the onboarding process.

The screenshot shows the 'MDO portal' interface. On the left is a sidebar with navigation links: 'Content Management', 'Events', 'Community', and 'Reports'. The main area contains the following elements:

- Tags**: A text input field with the placeholder 'Type tag here and press enter'.
- Role ***: A section containing several role selection boxes:
 - CBP_ADMIN ☐
 - COMMUNITY_MODERATOR ☐
 - CONTENT_CREATOR ☐
 - CONTENT_REVIEWER ☐
 - MDO_ADMIN ☐
 - PUBLIC ☒
 - WAT_MEMBER ☐
 - PROGRAM_COORDINATOR ☐
 - MDO_DASHBOARD_USER ☐
 - MDO_REPORT_ACCESSOR ☐
 - MENTOR ☐
- Create user**: A blue button, highlighted with a red box.
- Clear**: A light blue button.
